OUR COFFEE BLEND

For our balanced and fresh roasted espresso blend we use carefully selected varieties of Arabica 100% single origin from Honduras. The medium roast gives us the result of a perfectly balanced coffee with aromas of black tea, orange, cocoa and notes of molasses, with fruity acidity and a sweet aftertaste. For decaffeine we chose a balanced coffee with aromas of cocoa and dark chocolate, low acidity and a sweet aftertaste.

OUR MILK

The milk we use in our products comes from units applying exclusively organic farming methods.

Consumption of alcohol is prohibited under the age of 17.
Extra virgin olive oil is used in all our recipes. Breads used for sandwiches are frozen.
If you have special dietary needs or allergies and want to know the ingredients used, please ask your waiter or request the special form located within the restaurant.
