Lighthouse

The spectacular Lighthouse sits on top of the new home of the Greek National Opera, protected by the "Magic Carpet," SNFCC's Energy Canopy covered with photovoltaic panels spanning a whole hectare. The Lighthouse is encased in glass, offering panoramic views of Athens, Piraeus and the Saronic Gulf, as well as a direct visual connection to the Acropolis Hill.

Surrounding this space there is an outdoor terrace sheltered by the Canopy, that can be used for al fresco dining or a cocktail reception. The indoor and outdoor spaces can be booked separately or jointly.
